

accessible lowered floor
BERLINGO

the expansive space solution

accessible ramp

For ease of wheelchair access, our vehicles are all fitted with the maximum 10-degree low angle wheelchair loading ramp with 50mm edge upturns that complies with the safe tilt and working angle as recommended by the wheelchair manufacturers, as well as the Medical Health and Regulatory Authority.

All Automotive Group's vehicles are designed, manufactured and produced from MI passenger vehicles at our wholly owned facility here in the UK. We provide wheelchair accessible vehicles with varying configurations.

Berlingo Multispace, freedom without compromise.

Berlingo 5 wheelchair area with five seats and small wheelchair, or stowage.

Citroën Berlingo as part of the extensive Automotive Group range benefits from an industry leading entry width of 890mm – 35 inches. Diesel manual and automatic models are available with low Advance Payments.

Berlingo 5 single rear seat and wheelchair area.

The Automotive Group accessible Berlingo is a good looking family vehicle offering excellent ride comfort and low cabin noise, delivering comfort for the driver and up to 5 passengers including the wheelchair user. An innovative multi seat configuration benefiting from over thirty years of design innovation and experience is capable of accommodating large manual, powered wheelchairs and scooters into a voluminous interior cabin with easy wheelchair access.

Comfort.

A high quality finish and the scale of the space that we have gained from this superb vehicle should be experienced firsthand to be appreciated. When you are ready give us a call or drop us a line to arrange a free demonstration with no obligation.

Stylish family estate car

The lowered floor with low ramp angle and heightened edge for safety configuration allows for dignified family friendly travel, travelling together within the passenger area. Access is gained from the rear using a single piece, low angle, lightweight ramp that stows below the window line. Wheelchair securing is tailored to fit individual needs including wheelchair occupant lap and diagonal seat belt as standard.

Standard seating of driver and up to 4 passengers plus wheelchair.
