

**accessible** lowered floor

# MAXI

*the extended solution*

The Automotive Group Volkswagen Maxi Life is a high quality comfortable family MPV that benefits from a wide lowered floor of 840mm – 33 inches. Headroom is up to an impressive 1510mm – 59.4 inches.

### Technology and Comfort

Diesel, manual and automatic DSG models with optional full flat floor, extended floor between the seats and seven seat versions are all available.

All of our adaptations have access via a low angle lightweight ramp at the rear with a choice of manual, gas assisted or fully automated operation. The attention to detail including interior soundproofing and carpeting make our Wheelchair Accessible Maxi MPV a family favourite.

### Peace of Mind

Working closely with Motability our vehicles and securing systems are built to European Whole Vehicle Type Approval. The wheelchair area is encompassed within the vehicles original safety cell. For ease of wheelchair access, our vehicles are fitted with the maximum 10-degree low ramp angle with 50mm edge for safety. The ramp can accommodate large manual/powerd wheelchairs and scooters. The Automotive Group are able to offer wide entrance wheelchair access across our range of Wheelchair Accessible Vehicles. Please ask for details.

### National Team

A dedicated national team of advisors will assist you in determining your exact requirements and will gladly offer you a free no obligation demonstration at your home or work place at a time convenient to you. Our team takes time to establish the Wheelchair Accessible Vehicle from our range that is your solution. A team interested and experienced in establishing your needs.
